What is the Aging & Disability Resource Center?

The Aging & Disability Resource Center (ADRC) serving Adams, Green Lake, and Waushara Counties provides information and assistance to older and disabled adults, their friends, family, caregivers and the general public. We can assist by evaluating your current needs and providing options available to meet your personal situation.

We can assist with appropriate referrals to other agencies based on customers' requests and needs. The staff is trained and knowledgeable about agencies and programs that specialize in services for older adults and persons with disabilities.

We are dedicated to helping you or your loved one by providing assistance to support and meet your individual situation.
